

# Flame On

A True Story of Hope in the Midst  
of Great Personal Tragedy

Filmed only a few months after the unexpected loss of their five-year old son, Cooper, J.J. and Melanie Jasper deal with real world grief following his untimely death. *Flame On* offers a look into the lives of a grieving family while dealing with the grief from a biblical perspective.

The hope of *Flame On* is that others who are dealing with similar situations will be blessed and uplifted through this story of hope and leaning on God's Word. Our prayer is that all those who have lost loved ones and who are hurting will watch *Flame On* and know that we serve a loving God who uses all situations for His glory.

American Family Media and the American Family Association would like to thank you for your support of this documentary. Please share it with anyone dealing with grief or loss.

*For this reason I remind you to fan into flame the gift of God, which is in you through the laying on of my hands. - 2 Timothy 1:6*
